

Technical specifications:

Housing	Material	Aluminium
	Colour	Red/bronze mat (anodized)
	Dimension	Ø52 mm x ca. 225,5 mm (in case of direct wall-mounting)
Joint	Material	Stainless steel
	Mech. adjustment range	Tilt angle up to 90° Rotation angle approx. 360°
	Protective hose	Material
	Length	approx. 1 m
Camera	Sensor	CMOS
	Video size	1080P@60Hz; 1080P@50Hz
	Video interface	HDMI
	View angle	90° (optional 142°)
Operating voltage	Supply voltage	24 V DC
	Rated current	0,2 A
	Max. current	0,5 A
Additional	Protection class	IP67
	Weight	approx. 1,8 kg (total weight including protective hose)

* only when system is under pressure with a minimum of 0,3 bar

Scope of delivery:

- Camera
- Ball joint mounting
- Stainless steel hose 1 m
- Assembly seal (+replacement)
- HDMI-repeater-coupling
- M12 plug 5-pole A-coded

Replacement assembly seal
